

GAYNOR EULOGIZES CHARLES F. MURPHY

Advise Some Good Women and
Clergymen to Go and See Him
And Say a Kind Word.

THEY MAY BE SURPRISED.

When Seen in His Library New York's
Mayor was Reading "Wisdom of
Benjamin Franklin."

New York, Jan. 2.—Mayor Gaynor
gave out tonight his list of appoint-
ments so far as he was able to make
them and on account of his relations
with Charles F. Murphy, leader of Tam-
many Hall. The letter follows:

"When Mayor Gaynor was seen last
evening he was found in his home li-
brary deep in the perusal of a little
book called 'Wisdom of Benjamin
Franklin.' When asked if the political
leaders had been consulted in making
appointments, he said:

"I feel that there is one great act
of justice which I should do. I was
nominated without even a suggestion
being made as to what I should do as
mayor. Since election Mr. Charles F.
Murphy has called on me three times,
each time asking me to appoint the best
men to be found. His suggestions were
few; he urged nothing, and kept saying
to me that the responsibility was solely
with me.

"I feel there are a good many people
in this town who do not know Charles
F. Murphy. Some of them seem to
think he has horns and hoofs. I can
only say to him what I have seen. He
fully realizes that a political organiza-
tion cannot survive and grow broader
on patronage alone without political
ideas and virtue, but must strive up
and die of worse than dry rot. I would
advise some good women and clergy-
men who are writing to me about
Charles F. Murphy and what they call
the white slave traffic to go up and see
him and say a kind word to him. They
may be surprised.

"Thou shalt not bear false witness,"
is also one of the commandments.
There are more vices than one."

The mayor, in naming his appointees,
appends also a brief personal and po-
litical biography of each. These com-
ments, some of them wagging, some
naïve, it was later announced, were not
intended as the mayor's own, al-
though they did not say they were issued
under his sanction. Some are con-
sidered a formal statement.

Reference of Rhineland Waldo,
appointed fire commissioner, it is noted
that "he is a bachelor and a great
catch for his kind."

Of Herman Ridder, publisher of the
Staats Zeitung, who has been offered
the position of park commissioner, for
Manhattan and Richmond, but who has
not accepted, the statement says that,
on account of Mr. Ridder's connection
with the press, "he feels delicate in this
matter, as his work as a public official
would have to be commented on by the
press, and should not be under con-
straint. The spectacle of a newspaper
proprietor running for office or in of-
fice and being puffed up by his own
newspaper, is nauseous to Mr. Ridder."

Most of the mayor's appointees are
Irish-American Democrats and the
statement is careful in giving the
biographies, not only to mention those
that are married, but also to specify
that they have children. The mayor
himself has seven children.

Among the appointments are:
Corporation counsel, salary \$15,000.

SIMPLE REMEDY FOR KIDNEYS

A very simple and most effective
remedy for weak or deranged kidneys
or bladder is as follows: "Mix one-
half ounce Murax compound, one-half
ounce fluid extract Buchu, six ounces
Good pure gin, and take one to two
teaspoonsful three times a day, after
meals. Any good druggist will fur-
nish or mix these ingredients. This
will quickly cure symptoms of kidney
or bladder trouble, such as pains in
the back, frequent or highly colored
urination, rheumatic pains in the
joints, soreness in the groin or hips,
dizziness, pain under the eyes, etc.
These symptoms are danger signs
and must be attended to promptly
to prevent dreaded chronic rheuma-
tism, Bright's disease or diabetes.

a Democrat.

The seven tax commissioners, the
statement concludes, "will be appoint-
ed in a day or two. The appointees will
be high-class men, who will banish
gray and favoritism from the depart-
ment."

"The police, street-cleaning and
health departments are to be dealt
with hereafter. It is not believed that
any of the incumbents will be retained
permanently."

BUTTE MINERS OUT OF SWITCHMEN'S STRIKE

Butte, Mont., Jan. 2.—The Butte
Miners' union tonight, by an over-
whelming vote, decided to keep hands
off the switchmen's strike at Great
Falls.

The vote was taken on the report of
a conference committee which has been
considering ways and means of settling
the strike in Great Falls. The report
was not made public.

As a result of the strike the Boston
& Montana smelter at Great Falls, and
that company's mine in Butte, employ-
ing about 4,000 men, are idle.

PREST. TAFT PAYS JUDGE LURTON A CALL

Washington, Jan. 2.—President Taft
today took away the breath of those
who maintained that the days of Jef-
fersonian simplicity have long depart-
ed, and that the administration is tak-
ing on all the ceremonial of a European
court, when he calmly left the White
House and paid a call on Judge Horace
H. Lurton, newly-arrived, as associate
justice of the supreme court. The af-
fair was unique in that it is unwritten
law that new officials shall first call
at the White House.

CHINA REFUSES TO ARBITRATE WITH PORTUGAL

Pekin, Jan. 2.—Negotiations extend-
ing over five months between China
and Portugal on the question of the
Macao boundary have failed, and today
the Chinese government sent a formal
message to the Portuguese government
that under no circumstances will it con-
sent to arbitrate. It is pointed out
that only China and Portugal can settle
this question between themselves.

Macao is on an island of the same
name at the mouth of the Canton river.
China holds that for some years all
dependencies of the city of Macao have
been occupied illegally by Portugal, and
that the only concession of territory
ever made to Portugal was the town of
Macao. China insists that the terri-
tory and adjacent islands be evacuated
by Portugal.

At the Hongkong conference the Chi-
nese delegates refused to recognize
Portugal's claims in Macao or to sub-
mit the question to arbitration. Later
the Portuguese government sent Gen.
Machado to China in the hope of reach-
ing an amicable settlement of the dis-
pute, but he failed in this mission.

FOUR PERSONS PERISH IN TENEMENT HOUSE FIRE

New York, Jan. 2.—Four lives were
lost and three persons received serious
injuries in a tenement house fire in Jer-
sey City today.

One man jumped from a four-story
window and died soon afterward. A
woman was burned to a crisp, her arms
entwined about her baby. A child was
rescued by firemen, but had inhaled
flames and died.

Those injured probably will recover.
The fire is believed to have been of in-
cendiary origin.

CONSERVATIVES ON ANXIOUS SEAT

After This Week Lords Will Be De-
barred From Taking Further
Part in the Campaign.

WILL ADDRESS 116 MEETINGS

Unionist Association of Ireland Ac-
cuses Nationalists of Separat-
ist Designs.

London, Jan. 2.—After Jan. 10,
when the writs will issue for the elec-
tion, the peers will be debarred from
taking further part in the campaign.
They are showing feverish anxiety to
utilize the remaining week to the best
advantage. They will address 116 Con-
servative meetings.

A list of candidates so far
prepared shows no fewer than
50 three-cornered contests which
probably would give seats to the
Conservatives, but the labor candi-
dates apparently have no disposi-
tion to yield. For the first time the
Conservatives have four labor candi-
dates in the field.

The Unionist association of Ireland
has issued a manifesto to the British

electors, accusing the Nationalist
party of separatist designs, which is
proved, the manifesto asserts, by the
party's acceptance of American- Irish
funds, and the recent tour of Capt.
Condon and John O'Callaghan, dele-
gates from the United Irish league of
the United States, as John F. Red-
mond's guests.

The manifesto warns the British peo-
ple that home rule would lead to Irish
independence, involving a standing
menace from a military and naval
standpoint.

William O'Brien, who formerly re-
presented the Nationalists of Cork in
parliament, has decided to return to
politics. He was nominated today as a
candidate for Cork City.

Rev. J. Campbell, pastor of the City
Temple in his sermon today related a
characteristic anecdote. He was the
guest, early last year, at a luncheon
party. The conversation turned on
what each would do if he knew that
he had only two months to live.

Chancellor Lloyd-George, who was
present, replied:

"I would introduce my budget and
proceed with it until my appointed
time, so that I could leave the world
with a good conscience."

SAUROPOD DINOSAUR BONES FOUND IN UTAH

Pittsburg, Pa., Jan. 2.—The director
of the Carnegie museum today an-
nounced the discovery in Utah, by a
Carnegie exploring party of the bones
of three specimens of the sauropod di-
nosaur. There is every reason to be-
lieve these specimens of the giant di-
nosaur are older than the famous di-
plodolus on exhibition here. A detailed
account of the discovery is being pre-
pared.

OCEY SNEED'S RELATIVES ARE TO BE ARRAIGNED

East Orange, N. J., Jan. 2.—Mrs.
Mary Sneed, Miss Virginia Wardlaw,
and Mrs. Caroline D. Martin, mother-
in-law, aunt and mother, respectively
of Ocey Sneed will be arraigned here
early this week to plead to indictments
charging them with murder. Prosecu-
tor Mott will ask that some day in
January or early in February be set
for the beginning of the trial.

It was announced today Fletcher W.
Sneed, husband of the dead woman,
will not figure in the trial. He was
located some time ago in St. Cath-
arines, Ont., and New Jersey detec-
tives have been in that city since
Saturday, trying to induce him to at-
tend. They have reported to the prose-
cutor by telegraph that their mission
is unsuccessful.
